

World Federation Of Jewish Child Survivors Of The Holocaust And Descendants

Joining hands and hearts to keep Holocaust memory alive, fighting hatred and genocide

We are the Jewish Child Survivors of the Holocaust persecuted by the Nazis in ghettos, in camps, in hiding, on the run or forced to leave Nazi occupied Europe. Our objectives are to represent the interests of the child survivor community, to support each other, to keep alive the memory of the six million Jews – including the 1.5 million children – murdered during the Holocaust and to pass on our legacy to future generations. We pursue these objectives by telling the stories of our survival, by community interaction, education, holding conferences and by fighting anti-Semitism

RESOLUTION

August 24, 2014

We the World Federation of Jewish Child Survivors of the Holocaust & Descendants, comprised of 54 member groups with representations from 18 countries at this conference in Berlin, Germany express our great concern and distress at the present resurgence of Anti-Semitism in Europe and throughout the world.

Our presence in Berlin this year is a strong statement of our theme and belief for justice, respect, & peace in the world for all people.

As Child Survivors of the Holocaust, we know first-hand what Anti-Semitism led to, the tragic murder of 6 million of our people, a figure that include 1½ million children.

As Survivors, children of Survivors and grandchildren of Survivors of the Holocaust we are greatly concerned about the suffering and survival of our people.

Discrimination against any group of people whether by race, color, religion, religion, creed or sexual orientation is a crime against all humanity and must not be tolerated by decent human beings.

Discrimination against any group of people does not stop with just one group.

While there may be political differences, we must remember to treat each other with respect and consideration. We are all God's children; we are all human beings with the right to live.
